

Abstract categories

Clinical Endoscopy Practice

Subcategories:

General endoscopic therapy
Dilatation of structures
Documentation
Foreign Body Removal
Upper Gastrointestinal bleeding
Lower GI bleeding
Practice guidelines, technology reports
Percutaneous endoscopic gastrostomy
Percutaneous endoscopic jejunostomy
Quality care
Sedation
Training
Biopsies
Adverse events

Advanced / experimental mucosal imaging

Subcategories:

NBI
BLI
LCI
High resolution imaging
Endomicroscopy
AFI
Chromoendoscopy
Other methods

Advanced Procedures

Subcategories:

EMR / ESD & Beyond
ESD
Combined endoscopic-laparoscopic procedures
Endoscopic techniques for Obesity
New Methods
POEM
Robotics
TeleMed
NOTES

Esophagus

Subcategories:

- Squamous cell carcinoma
- Anti-reflux procedures
- Barrett's esophagus
- Barrets neopasia
- Gastroesophageal reflux disease
- Ablation techniques

Stomach and small intestine

Subcategories:

- Esophagogastroduodenoscopy
- Gastric prep
- Stomach and smal intestine quality parameters
- Gastroparesis
- Helicobacter pylori
- Other benign diseases
- Gastric neoplasia
- Capsule endoscopy
- Celiac disease
- Deep enteroscopy
- Inflammatory bowel disease

Colorectum

Subcategories:

- Bowel preparation
- Colorectum quality parameters
- Colonoscopy
- Colorectal cancer
- Cancer screening
- Polipectomy
- Miscelaneous colitis
- Hemorrhoids and anal disorders

Pancreatobiliary

Subcategories:

- Cholangioscopy
- Endoscopic pancreatobiliary drainage
- Liver, Pancreas and biliary tract
- Pancreas
- Standards of practice
- Stenting
- Stone Extraction

ERCP: biliary

Subcategories:

ERCP Biliary neoplasia
ERCP other
ERCP stones
ERCP strictures

ERCP: Pancreas

Subcategories:

ERCP acute pancreatitis
ERCP chronic pancreatitis
ERCP complications and outcomes
ERCP pancreas divisum and other congenital
ERCP pancreatic neoplasms

Endoscopic ultrasound

Subcategories:

EUS diagnostic, GI tract
EUS diagnostic, pancreatobiliary
EUS diagnostic, others
EUS New technology
EUS-FNA
EUS Interventional pancreas
EUS Interventional hepatobiliary
EUS interventional vascular & other
Liver: portal hypertension techniques

Artificial intelligence

Subcategories:

Esophagus
Stomach
Small intestine
Colorectum

Pediatric Endoscopy

Subcategories:

Endoscopy: Pediatric
